

Hi Translation Hiring Team,

I'm excited to apply for your Senior Producer role. Your unique mix of culture, tech, and storytelling really grabs me, and I love how you aim to push brands past the usual advertising boundaries.

A bit about me:

- I've got over 10+ years of experience in multimedia content and digital storytelling, successfully producing impactful entertainment, commercial, and educational campaigns.
- I've created content for brands like Squarespace, Microsoft, LinkedIn, SeatGeek, Zocdoc, Jansport, Newcastle Brown Ale, and SPIN Magazine.
- I'm a problem solver, whether they're internal or external.
- I set up production workflows that remove hurdles for future projects.
- I ran bi-weekly sprints to enhance internal production tools.
- I'm comfortable with Google Apps Script and the OpenAI API.
- I've led creative teams and managed complex A/V productions.
- Content I've produced has reached millions, helped grow YouTube viewership from 8M to 22M, and created educational content for over 2M learners.

I'm confident my problem-solving, organizational, and communication skills, along with my video workflow and social media trend expertise, make me a great fit for this role. I'm eager to contribute to Translation's continued success and innovation.

Thank you for your time and consideration. I welcome the opportunity to discuss how my skills and experience can benefit your team.

Sincerely,
Jon
